Puppy Jumpstart

2 Week Program

What to expect:

Our Puppy Jumpstart program introduces your puppy to foundational training. Over two weeks, we work on core commands, potty training basics, and crate training. This program lays the groundwork for further training but does not result in fully reliable behaviors.

Inclusions:

- Crate training introduction.
- Food provided during their stay.
- Weekly updates with photos and videos.
- Veterinary care: 1 visit included.
- Training supplies: leash, collar or harness, slip leash, poop bags, treat pouch, soft and chew toys, and a Snuggle Puppy.
- Exit interview with guidance on maintaining progress.
- 1 month of email and phone support.
- Optional travel nanny services (additional cost).

Highlights:

- Core commands: Sit, Down, Name Recognition.
- Potty training foundations.
- Behavior prevention: biting, chewing, jumping, nipping.
- Adaptil collar provided for comfort during their stay.
